## STEP 01

Select the menu located on the left to access the different selections.
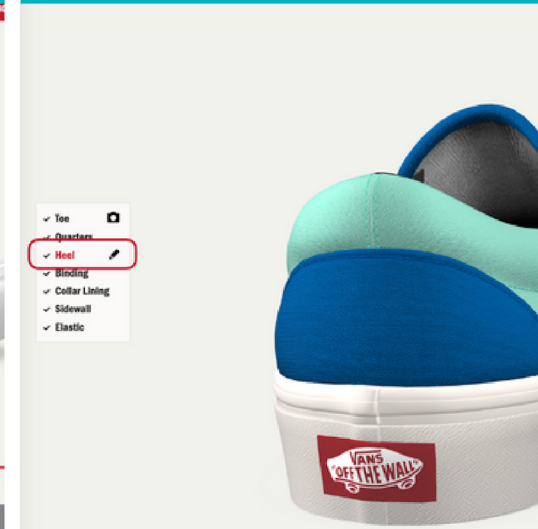

STEP 02

You can also move through your design selections by using the arrows on the bottom left of your design window.

STEP 03

Select your color options by selecting the swatch located on the bottom of the page.
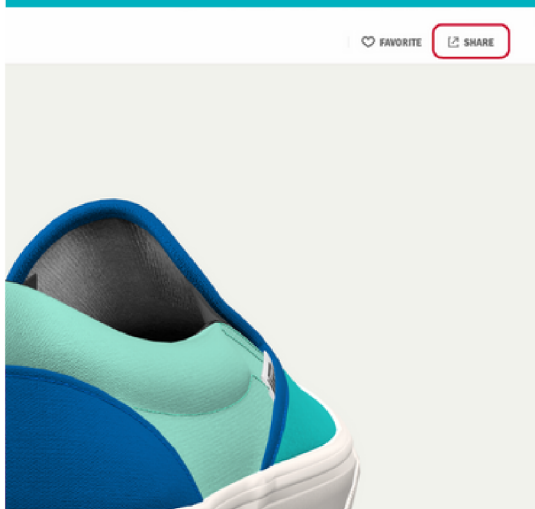

STEP 04

Don't forget to add your optional personalization option on the heel of your shoe. You can add this by selecting the pencil icon located in your main menu.
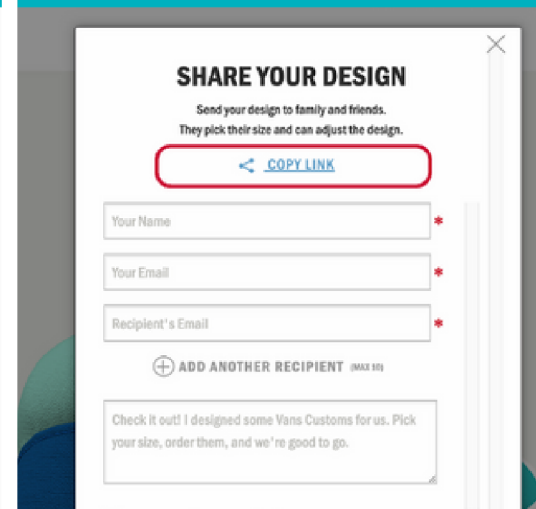

STEP 05

When your shoe is complete, select the three dots at the top of your page. <u>At no point should you add your shoe to the cart.</u>
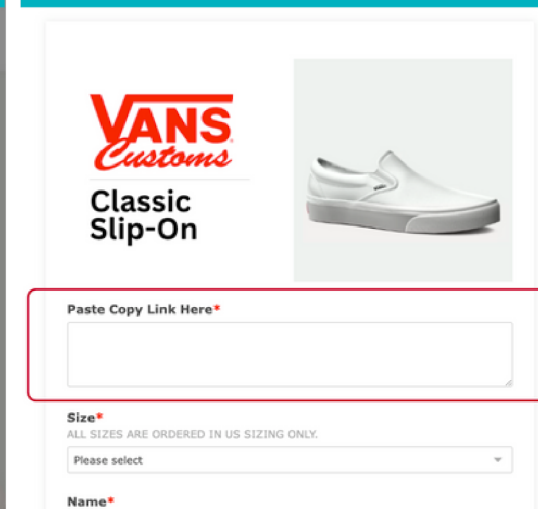

STEP 06

Select Share.

STEP 07

Select COPY LINK.

STEP 08

Return to the INSTRUCTION PAGE. Scroll to STEP 10 to complete the submission form. This is where you will PASTE YOUR COPIED LINK.
